the status quo

So, What Might Happen?

3. Prescription

regroup, reboot and renew.

Likely scenario

- Not every bad thing that could happen will happen
- But some things will, to some degree
- How will you fare?

Steveism

"Better to have it

and not need it,

than need it

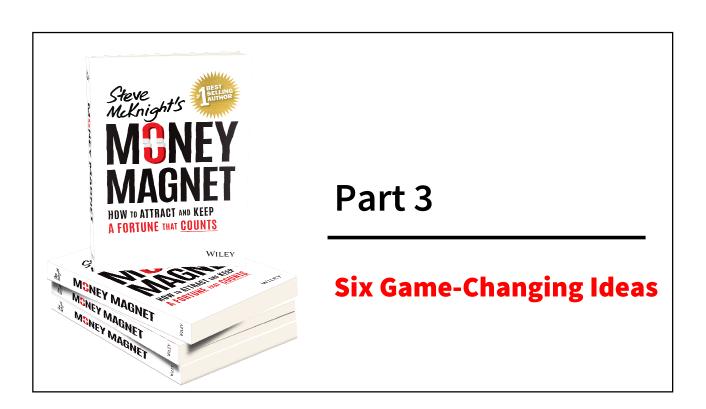

and not have it."

How Do You **<u>Prepare</u>**?

"GET READY"

- Increase education
- Control spending
- Reduce debt
- Increase reserves

1. Pedigree

- Financial IQ and Financial EQ
- What's your financial pedigree?
- What have you inherited?
- What will you pass on?

2. Extrapolation

- Your current financial situation reflects your F-IQ and F-EQ
- Without changing, expect more of what you've got
- How will that play out?

3. A Poor Plan

- Welfare, not an entitlement
- Below the poverty line
- 75% reality check
- Do what everyone else does,

and get what everyone else has

4. A Better Plan

• When people don't know

what to do, they do nothing

- Find a formula or framework
- Follow it

5. The Dangers of Debt

- Two types of debt
- What is debt?
- Debt consequences
- Beware loyalty programs
- Debt busters

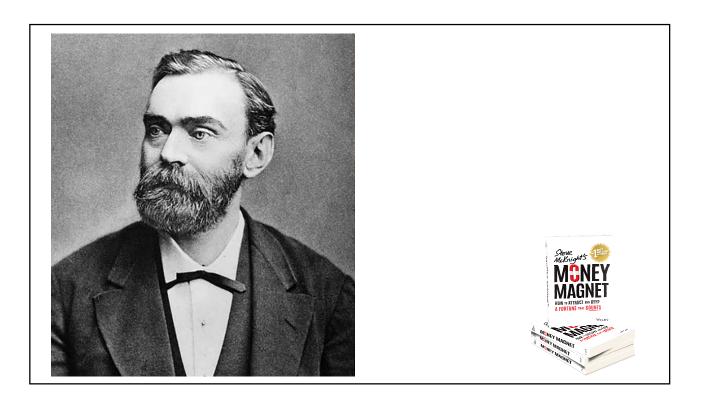

A-Ha

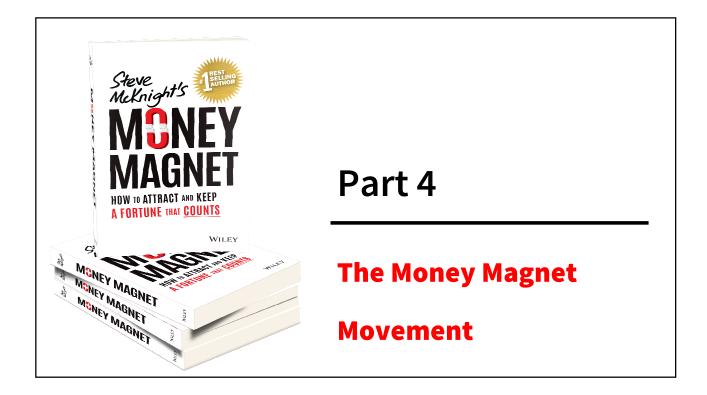

How you use debt:

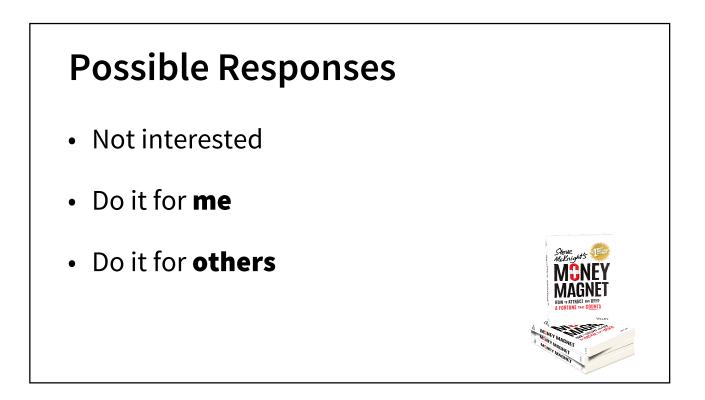

- Reflects (again) your
 F-IQ and F-EQ
- Will become the 'normal' for your children

6. Legacy

- How you use your money will be how you're remembered
- How will you be remembered?
